## OBJECTIVE

---

SOC Analyst gained high experience in monitoring security events investigating alerts and responding to incidents to protect organizational assets. Have strong skills in SIEM monitoring, log analysis, threat detection, and incident handling. Strong analytical mindset with the ability to identify suspicious activities. Continuously improving my detection and response capabilities. Aspiring to contribute to a proactive and helpful SOC team to enhance my incident response effectiveness.

## EDUCATION

---

**Major: Communications and Electronics Engineering.**  
*Faculty of Engineering, Minya University, Egypt*

Sep 2021 – Present

## EXPERIENCES

---

**Cyber Security Incident Response Analyst**

*DEPI & MCIT*

Gaining skills and experience in incident response and SOC operations field

Dec 2025 – Present

**Network & Cyber Security Instructor**

*Creativa Minia & SATC*

Currently training Graduate & under-graduate students on network security, cybersecurity fundamentals, incident handling, and SOC operations.

Sep 2025 – Present

**Cyber Security Internship (Best Intern Titled)**

*UneeQ*

Network monitoring, Vulnerability assessment & scanning, Managing cyber threats

Oct 2025

**Communications & IT Summer Internship**

*Ministry of Communications and Information Technology*

Network Infrastructure, Fortinet, Alert triaging & incident response, Data center & virtualization, and VoIP & wireless communications

Jul 2025 – Aug 2025

**Network Security & Cybersecurity Operations Associate Internship**

*National Telecommunication Institute*

Gained hands-on experience in network security tools, SIEM solution, vulnerability assessment, basic forensic analysis, and cybersecurity operations

Mar 2025 – May 2025

## CERTIFICATES

---

**Certified in Cybersecurity CC**

*ISC2*

Mar 2026

**Advent of Cyber 2025**

*TryHackMe*

24 Dec 2025

**Fortinet Certified Associate in Cybersecurity**

*Fortinet Academy*

01 Jun 2025

## PROFESSIONAL TRAININGS & COURSES

---

**SOC Level 1**

*TryHackMe*

Jul 2025 – Feb 2026

**Multivendor-Firewall**

*National Telecommunication Institute*

Jan 2026 – Feb 2026

**Incident Handling & Response Professional Learning path**

*Information Technology Institute (Mahara-Tech)*

Oct 2025

**Cyber Threat Management**

*CISCO & Be Ready*

Sep 2025 – Oct 2025

**SEC450GSOC Prep**

*Netriders Academy & SANS books*

Sep 2025

**eCIR Prep**

*Netriders Academy & INE labs*

Jul 2025 – Sep 2025

**FCP Network-Security Forti-Manager 7.6**

*Fortinet Academy*

Jun 2025 – Jul 2025

<b>FCA-FortiGate 7.4 Operator</b> <i>Fortinet Academy</i>	May 2025 – Jun 2025
<b>Network Security &amp; Cyber Security Operations Associate</b> <i>National Telecommunication Institute</i>	Mar 2025 – May 2025
<b>Red Hat System Admin</b> <i>Information Technology Institute (Mahara-Tech)</i>	Mar 2025 – Apr 2025
<b>Python Programming Basics</b> <i>Mahara-Tech</i>	Mar 2025 – Apr 2025
<b>Ethical Hacking</b> <i>Information Technology Institute (Mahara-Tech)</i>	Apr 2025
<b>MCSA Windows Server 2019 Course</b> <i>Brains Academy</i>	Jan 2025 – Mar 2025
<b>Cybersecurity Operations Associate Course</b> <i>National Telecommunication Institute</i>	Nov 2024 – Jan 2025
<b>CCNP Enterprise (350-401 ENCOR) Course</b> <i>Brains Academy</i>	Sep 2024 – Nov 2024
<b>Cisco Firewall ASA Course</b> <i>Brains Academy</i>	Jul 2024 – Sep 2024
<b>CCNA 200-301 Course</b> <i>Brains Academy</i>	Feb 2024 – Apr 2024

## **ACTIVITIES**

---

<b>IT-Gate CTF Blue Team 1st Place [HellFire_Club Team]</b> <i>IT-Gate</i> Topics:[Digital Forensics, Network Monitor, Steganography, Cryptography]	Feb 2026
<b>CTF Cyber Champions</b> <i>ZINAD IT &amp; Information technology institute</i> Forensics & Crypto	Feb 2026
<b>Egypt National Cybersecurity CTF</b> <i>Cyber Talents</i> Forensics	Jan 2026
<b>OxL4ugh CTF</b> <i>Forensics &amp; OSINT</i>	Jan 2026

## **SKILLS**

---

- Tech Skills**
- Incident Response
  - SIEM
  - Network Monitoring
  - Digital Forensics
  - Networking
  - Alert triaging

- Soft skills**
- Presentation
  - Problem-solving
  - Team working
  - Communication

## **LANGUAGE SKILLS**

---

<b>Arabic</b> (Native Language)	<b>English</b> (Fluent)
------------------------------------	----------------------------
